### Series Naming

---

This level provides ONE dedicated series named after the sponsor. An example would be the <BRAND> World Cup or <Brand> Challenge Cup etc.

### Sponsor Logos/Livery

---

- Sponsor logos provided by the sponsor, for use in game, require specific formatting, we will work with you to accomplish this.
- We will provide a full-time driver in each division that will run a car with only the required decals, and the rest of the car will be dedicated to your brand.
